ABOUT US

The Thunder River Renegades are a Cowboy Action Shooting club located in Plantersville, TX. CAS is a sport that involves shooting steel targets, friendly competition, and of course socializing.

Required equipment includes four pre-1899 firearms (2 Single Action Revolvers, 1 Rifle, 1 Shotgun). We also dress in period clothing and choose an appropriate alias to shoot by.

This is a family sport, with our members ranging from pre-teen to octogenarian, and safety is always our primary concern. There will always be a friendly and experienced club member available to help show you the ropes.

So if you would like to relive the Old West, come out and visit us! You won't be disappointed and spectators are always welcome.
