TRR Stage Conventions

Unless the stage instructions state otherwise:

- All pistols start fully holstered.
- Texas Surrender =1 or more hands on 1 or more pistols.
- Shotgun shells, rifle & pistol cartridges may be staged.
- Shotgun knockdowns:
 - May be shot in any order unless stated otherwise
 - May be engaged until down
 - Standing knockdowns are counted as misses
- The firearm order is the order written.
 - Regardless as to whether the word "then" was used
 - A scenario can state "Shooters choice of firearm order".
- The word "then" is required when specifying target order.
 - Otherwise, it is shooter's choice.
- "Standing as you will" means any position you desire.
 - You cannot be touching your firearms or ammo.
- "Rifle/Shotgun in hands." means both hands on the firearm
 - You may be aiming the firearm
- You cannot be touching ammo (i.e. shotgun shells) ATB.
- You may restage your firearm anywhere safely.
- A shot "over the berm" is a MDQ

TRR Sweep Conventions

Unless the stage instructions state otherwise:

- A Sweep is defined as engaging targets in a consecutive order.
- Unless stated otherwise a sweep may start from either end, the word **must** has to be used to specify only one direction
- Unless stated to duplicate a sweep each sweep may start from a different end.
- When using pistols, a continuous sweep picks up with the second pistol on the target after the last shot of the first pistol.
- Nevada Sweep - Back and forth not double tapping the ends i.e. 1,2,3,2,1
- Continuous Nevada Sweep – i.e. 1,2,3,4,3,2,1,2,3,4
- Progressive Sweep – i.e. 1, 2,2, 3,3,3, 4,4,4,4
- Regressive Sweep i.e. 4,4,4,4, 3,3,3, 2,2, 1

Sharpshooter Conventions

Unless stated otherwise a sharpshooter's shoot:

- The long range targets the same sequence as the regular rifle targets.
- The regular rifle target with his pistol in the same sequence as the regular pistol targets
- A person may take a rest for the rifle. Just like a regular category.
