

This 5-part Thunder River Renegade Pictorial Directory has several objectives:

- 1) Help the new and old shooters alike recognize our members without the need to inquire as to their alias.
- 2) Allow the individual member to highlight their accomplishment as a Cowboy Action Shooter in any way they see fit.
 - a) This could be the results of matches they have attended
 - b) Interesting facts about their life both in and out of the world of cowboy action shooting
 - c) Any other facts they wish to share with the membership

Due to the fluidity of the membership of the club these documents will always be a work-in-progress. Timely mailings to the membership will occur as deemed necessary.

The directory as mentioned above is divided into three parts due to the limitations of some members' computers. Bigger ain't necessarily always better
