

A decorative border with black floral and vine motifs surrounds the central text. The motifs include stylized leaves, swirling vines, and circular floral elements at the corners and midpoints of the sides.

This 5-part Thunder River Renegade Pictorial Directory has several objectives:

- 1) Help the new and old shooters alike recognize our members without the need to inquire as to their alias.
- 2) Allow the individual member to highlight their accomplishment as a Cowboy Action Shooter in any way they see fit.
 - a) This could be the results of matches they have attended
 - b) Interesting facts about their life both in and out of the world of cowboy action shooting
 - c) Any other facts they wish to share with the membership

Due to the fluidity of the membership of the club these documents will always be a work-in-progress. Timely mailings to the membership will occur as deemed necessary.

The directory as mentioned above is divided into three parts due to the limitations of some members' computers. Bigger ain't necessarily always better

Doc Crossdraw

SASS 43968

Married to **Sweet Magnolia Rose**

Doc Crossdraw has pursued a lifelong interest in, and admiration for the cowboy way. He has been active in California's Double R Bar Regulators and the Roy Rogers charity there, as well with reenacting groups in Victorville, Calif. And at Tombstone, Arizona. Before moving from Tombstone to Walden, Texas in 2013 **Doc** was a member of the Tombstone Buscadaros.

After just two years as faithful supporters of the Thunder River Renegades **Doc** and **Rose** were called away to Arizona where they again reside just outside of Tombstone.

They have very fond memories the cowboys and cowgirls at TRR.
